Mr. Robert A. Post, President
W.L.A., Inc.
P.O. Box 1967
Mount Airy, NC 27030-1967

Dear Mr. Post:

On behalf of Wake Forest Baptist Medical Center, it is my honor to thank you for your recent gift on behalf of W.L.A., Inc. to the Brenner Children's Hospital Fund. As you know, your gracious contribution will offer much-needed assistance for the significant work of Dr. Katherine Poehling and her talented team at Brenner Children's Hospital.

The connection you've chosen to form with us extends far beyond a simple donation. You're now an integral part of a caring network that includes physicians, nurses, hospital staff, professors, students, researchers and volunteers. Together, we're building a better world through improved patient outcomes, innovative research, and generation after generation of uncommonly compassionate physicians.

I offer my heartfelt thanks to you for investing in our team, in our institution, and in our collective future. We could not do what we do without you.

Sincerely,

Norman D. Potter
