Bobby, Stephen, and Dale:

Sentry Transportation is proud to present W.L.A. Inc. with our fleet safety award in recognition of your outstanding commitment to safety over this past policy year. This award is given to a very select group of customers who have met challenging criteria including maintaining an exemplary accident history, executing proactive risk management practices, and achieving Sentry's Safety Services highest grade of "A", signifying a superior risk.

We also recognize that achievement in fleet safety excellence such as yours comes from the combined efforts of management, drivers, and your entire company's commitment to promoting a culture of safety. Congratulations to you and your employees!

Display this award proudly-you've earned it!
